10/7/20 7:58:19 PM	DM with Diana Adams	Stephanie	Diana Adams	Being across the street from the park, I still see weapons, including guns, almost daily. Its quite unnerving as you know none of those people are trained or even have those guns legally. I have residents that have dodged bullets on multiple occasions. Scary stuff.
10/7/20 8:17:38 PM	DM with Diana Adams	Stephanie	Diana Adams	A few folks I know have attempted to approach them with kindness and understanding etc and its turned out pretty poorly for them. One of them felt so threatened after having all of her car windows smashed in, that she just moved herself and her kid down to Eugene.
10/7/20 8:18:17 PM	DM with Diana Adams	Stephanie	Diana Adams	When I attempted it, our whole building got graffitied with GENTRIFIER, FUCK RICH PPL, MOVE THE FUCK OUT, etc. It was horrific.
10/7/20 8:19:08 PM	DM with Diana Adams	Diana Adams	Stephanie	Yah so that has to be publicized and pushed back on. Total bullshit.
